### THINGS YOU CAN LISTEN TO:

25 minute conversation about what the Eucharist means and how our whole lives are shaped by taking part in it by Glenn Packiam author of “Blessed, Broken, Given.”

<http://podcast.cranmerhall.com/231001/2918392-glenn-packiam-what-is-our-theology-of-the-lord-s-table-and-how-does-it-connect-with-everyday-life>

25 minute conversation, quite theological but accessible. There are some great reflections here on the difference between theology that is lived and is written down, what “good” sung worship is and what it will include, how we know God as close to us and completely different at the same time, why being led to Christ, being dependent on God’s Spirit and knowing we are adopted children matters, why it’s good to rediscover the Holy Spirit.
