Free from all the bondage, free  
from all the lies and deceit of  
the world, free from my own  
selfishness and pride and greed.  
Break the chains which hold me  
back Lord, fling open the door  
of my prison, that I may pass  
from the darkness of this world  
- my world - and walk out into  
the bright light of your  
presence.

Father, may I now feel the  
radiance of your love upon my  
life. May I feel the warmth of  
your fatherly love upon me,  
your child, trusting, depending,  
loving. Help me to know what  
joy my response brings to You.

Give me the grace in my  
weakness to cry 'Abba', Father.  
Help me to know that beneath  
me are your everlasting arms  
bearing me up.

---

Lord Jesus, be the Lord of my  
life. Be the Lord of my thoughts  
and feelings, my memories and  
hopes. I accept your authority  
over everything I have been, am  
or will be. I bow down before  
you. As I see you on your Cross,  
held down by cruel nails, I see  
your arms stretched out - seeking  
to embrace the whole world,  
seeking to embrace me, seeking  
to love seeking to forgive,  
seeking to make whole. I praise  
you that you died for me. Help me  
to know that because your love  
for me was so great I too must  
love myself. I must recognize my  
great worth to you.

Holy Spirit, source of all truth,  
giver of power come upon me  
now as gently as a dove or like  
tongues of living fire as quietly  
as a summer breeze or as a  
mighty roaring wind. Come and  
dwell within me. Enable me now  
to do those things which before  
were impossible. Unworthy as I  
am, Holy Spirit of the living God  
give me those gifts which I can  
use to your honour and glory that  
I may show forth your fruit even  
in my life.

Glory be to you Father. Glory be  
to you Lord Jesus Christ. Glory be  
to you Holy Spirit. Amen

## SHALOM PRAYER

---

• THIS IS A PRAYER THAT CAN HELP  
YOU DRAW CLOSE TO GOD THROUGH  
JESUS. YOU CAN USE ALL OF IT OR  
SOME OF IT. IT'S BETTER TO PRAY  
SOME OF IT SLOWLY, THAN ALL OF  
IT IN A HURRIED WAY. IT'S A  
PRAYER SEEKING SHALOM, WHICH  
MEANS WHOLENESS – WHICH CAN  
ONLY COME THROUGH GOD'S  
PRESENCE. WHEN YOU DON'T KNOW  
WHAT TO PRAY, LET IT BE A  
RESOURCE TO YOU. LET IT BE A  
PRAYER THAT CAN LEAD YOU INTO  
PRAYING FURTHER.

## I COME AS MYSELF.

---

Just as I am. This moment. My feelings, my fears my joys, my sadnesses. You see me as I really am You know me through and through

You see all all that I am or ever have been. Every experience in my life is laid before you. Every image I have seen each touch, each sensation every word I have ever heard or spoken - each word, each idea, each thought which is imprinted in my soul and is known to you.

You know me better than my closest friend You know me better than I know myself You know...and because of who I am and in spite of what I am - You love me. I am of inestimable value to you

You love me through and through nothing, nobody can remove me from your love. Nothing, nobody can separate me from your love or your presence. You knew me at the moment of my creation and even then you loved me. You knew me and loved me in my mother's womb.

My nature was known to you. You called me by my name. You held me in your arms. You embraced me. You breathed upon me. You gave me your life and your love. You watched over me from my earliest childhood. You were present at all times and in all places: my unseen playmate, schoolmate, workmate, my unseen guest at every meal You shared in every encounter.

You watched over me silently even in the long hours of the night. You shared in every journey. You travelled with me. You were at the beginning of each journey. You were my companion on the way. Without you I lose my way my journey has no purpose I become exhausted on the way.

---

But You are my Alpha and Omega You are my way, You are the way itself, the Way of Life. So Lord I lay before you my life all my yesterdays, my todays and tomorrows. I praise and thank you for your presence in my life. I lift up in gratitude all the goodness and all the joy.

---

I now offer you all my hurts, my bruises, my rejections, I offer you all those things of which I am ashamed what I have said, and done, and thought, all that has brought hurt to you and to others. Lord pour your cleansing streams of living water all over me. Make the parched deserts of my being spring to life.

---

Refresh me, Renew me. Lord breathe on me afresh now and I will receive your life. Lord reach out and touch me and I will receive your healing. Empty me utterly of all the rubbish within me. This moment, Lord, take away all distractions, all temptations, all evil thoughts and desires.

---

Remove from me all my anxiety take away every hidden fear. Help me to know that your perfect love casts out all fear. Bring me now into the deep silence of your presence. I give you my body and ask that it may become your dwelling place.

---

## THIS MOMENT MAY EVERY PART OF MY BEING BE AT PEACE.

---

Let my heartbeat be in harmony with your heartbeat - let every part of my body be filled with your Spirit. Take each blood vessel. Take every part of my nervous system. Take each muscle, each organ, each cell. Fill me now with your stillness, with the reality of your living presence.

Help me now to pray - even without words. Help me to pray with my breathing, to breathe in of your love and your peace: to breathe out of my pain and sadness: to breathe in of your cleansing and forgiveness to breathe out of my guilt and impurity. So in my breathing may my body and soul be at one with you, in harmony with you, at ease with you.

May I be still and know that you are God. May I be still and know that you are the Lord who brings healing. Help me to hear your still, small voice Lord Jesus. May I now hear your words - 'peace, be still'. May all my storms subside as I accept your real presence.

As I kneel before you I give you my heart and all my emotions - all my deepest feelings that lie hidden within me. I give you my stillness but I also give you the turbulence, the cross currents of my life, my feelings of failure and rejection. I give you every relationship every situation in my life all my reactions all my outbursts of joy and of anger all my moments of elation and despair.

Lord I give you my intellect. I lay before you all my frail thoughts and ideas. I give you all my searching and striving, my grasping after truth. I give you all my ignorance and confusion, I give you all my questions and doubts I acknowledge you to be truth truth in its entirety - total truth in all its purity - the Truth which can set me free, in my body, my mind and my spirit.
