

AN OUTLINE OF THE 'WAY OF DISCIPLESHIP' IN SMALLER UNITS

The 'Way of Discipleship' is a formational resource, which can be used in lots of ways, and which covers a lot of ground over 24 sessions. However, if you want to work through modules more slowly, this outline breaks the sessions up into 47 smaller units.

While the titles of these smaller units are listed here, within the Facilitator's Resources for each session, you will find **detailed outlines for using each unit in its shortened form**.

These smaller units can be used as a group resource. But you could alternatively use the 'Way of Discipleship' by using one unit as the basis for Sunday teaching, with the other unit a midweek group resource.

The titles are grouped in pairs to show they belong to one original session.
